Coro Report Suggests Merger of Fire Districts; Opposition Seen

(First in a series on the Coro Foundation report dealing with possible incorporation of Washington Township as a city.)

By STUART NIXON

"The Township is not a homogenous community . . ." So reads one of the opening paragraphs of the Coro Report, released here April 30.

Homogenized milk is the sort in which the cream is mixed with the milk so it doesn't separate out. By using this figure of speech, the Coro researcher acknowledged a basic difficulty: that there are as many factors pulling Washington's eight towns asunder as there are drawing them together.

MOTHER SAVES TOT IN C'VILLE FIRE

Two-year-old Clara Ann Lehman of Centerville today owed her life to her mother's quick action.

Mrs. Rita Lehman, 38, of 110 Towers Way, in suburban Orchard Park, was outside gardening when she smelled smoke late Monday. She fought her way through a smoke-filled living room to snatch Clara Ann from a back bedroom unscathed. Fire Chief Frank Madrugá estimated damage to the home at \$3500. He said the blaze apparently started from defective wiring.

Centennial Fete In Township is Set for June 6

Alameda County's hundredth birthday will be celebrated in Washington Township, its birthplace, on June 6 when members of the Township Historical Society dedicate a plaque marking the site of the county's first courthouse in Alvarado.

Following the dedication, society members will stage a fashion show of 100-year costumes and exhibit historic relics in Washington High School gymnasium.

Mrs. Roland Bendel, chairman of the affair, today urged anyone with old items to lend them for the exhibit. Old newspapers should go to Mrs. C. N. Myrick, Centerville; old glass, Mrs. Dora May Scudder, Niles; old photos or paintings to Miss Nancy McKeown, Alvarado; and machinery, tools or farm equipment to George Coit, Centerville.

The Alvarado ceremony will take place at 1:30 p.m., and will be followed by the exhibit. Supervisor Chester E. Stanley will be the featured speaker at the high school affair.

Clothing to be displayed in the fashion show will be authentic garments worn by Township pioneers, Mrs. Bendel said. Mrs. J. C. Shinn is president of the society.

Adobe Acres Clears Last Hurdle, Zoned for Homes Despite Hassel

Despite the legal last-ditch stand of a cement company attorney, Adobe Acres homeowners finally got their protective zoning Tuesday. The Board of Supervisors, in unanimous vote, accorded suburban petitioners from Niles complete residential-agricultural zoning in a 300-acre area bounded by Alameda Creek, the Southern Pacific tracks, the Decoto School District, and Rock Avenue.

HENRY MEANS JUST WHAT HE SAYS

Henry Bier, 37, Niles Canyon resort operator, is a man of his word.

Last Friday night he returned from a drinking party, took out a .45 automatic, fired five shots out the window.

Then he called to his wife, Velma Mae, 38, who was caring for the youngest of their eight children.

"Come here, honey," Bier demanded. "I want to shoot you."

She did. He did.

Mrs. Bier is in the hospital recovering from a shattered collarbone. Bier was arraigned Tuesday for attempted murder. He will appear again Friday before Judge E. A. Quaresma.

Whiskerino, Queen Contest for Niles Essanay Day

TO ROLL AGAIN — Ancient autos (above) are scheduled to parade in Niles June 7 at Essanay Days fete. Left, Laura Lee Mozzetti, Irvington, passenger in 1910 Buick, acknowledges courtly greeting from John Coffee of Lafayette, driving 1911-model Locomobile. In background is Bud Lundell, Oakland, in 1917 Buick "bug." Photo was made at gathering of Horseless Buggy Club at Mozzetti home last month.

By proclamation of the Niles Chamber of Commerce, June 7 is set aside to revive for a day the era when Charlie Chaplin and Ben Turpin strode the streets of Niles.

President C. W. Chrysler on Tuesday proclaimed June 7 — a Sunday — "Essanay Day" in Niles, announced a queen contest, and warned "all adult males" to foster whiskers on their faces during the preceding week, or face incarceration in the town "calaboose."

The chamber is planning a revival of the 1913 period, when Essanay Studios were located here. Feature of the celebration will be dedication of a marker on the studio site—now the location of a service station. The studio was torn down in 1933.

Other features of the day, according to Committee Chairman Les Whitaker are:

1. A parade of old cars, bands and marching groups, and the Alameda County Sheriff's posse.
2. Free showing of films actually made in Niles, at the local school.
3. Speeches by oldtime film stars and residents who knew them here.

The queen will be selected from girls of high-school age, or older, now living in Niles. Nominations should be forwarded by letter or in person, to The Township Register, at P. O. Box 218, Niles. They should be accompanied by a photograph of the candidate, or by the candidate herself.

Information on how Nilesians may vote for the queen will be published next week.

Chrysler's proclamation reads: "LET ALL RESIDENTS OF NILES TAKE HEED:

"WHEREAS, the Essanay Studios were established in our town forty years ago; and

"WHEREAS: these film studios were the first ever established in Northern California, and brought great fame and credit to Niles; and

"WHEREAS: the eyes of mankind turn ever back to the glories of the past, remembering the joy and excitement that Essanay brought to Niles;

and its Merchants' Committee on said day; and

"WHEREAS: feminine pulchritude, no matter in what era, is a spur and an incentive to mere males;

"THEREFORE: I proclaim a tournament of beauty, with she who shall be voted the most lovely daughter of NILES to be crowned that day as Queen of the Essanay Festival; and

"WHEREAS: each and every red-blooded male should dedicate something to his queen, and where, as in Essanay days here each manly male did so dedicate his upper lip, cheeks, chin and/or adjacent face, and shall cause to grow thereupon WHISKERS and manly hair of whatever size, shape and hue shall appeal most to the wearer.

"THIS I ORDAIN, on pain of imprisonment in the Town Calaboose.

C. W. CHRYSLER,
President of Chamber."

Sidewalks Aid Township's First 'City Mail'

Centerville will get city-type mail delivery about July 1, Post Master Manuel W. Lewis announced this week.

This makes Centerville the first Township community to win the coveted door-to-door delivery. Newark, Niles and Decoto also have been trying to get it from the federal government.

Lewis said 800 residences and business establishments in Centerville will receive the service. Two deliveries per day are scheduled to the business district, and one in the home areas.

"The area to be served includes all of Main Street from Thornton to Washington Avenue," Lewis announced, "Parish Street, Fremont Avenue to the end of Lincoln Tract, all of the Hansen Tract, Cabrillo Park, Orchard Park and Glenmoor Gardens."

The postmaster said determining factors which led the U. S. Post-office Department to grant city deliveries were:

1. Concentration of population.
2. Sidewalks.
3. House numbers.

He stressed about 30 homes, principally along Fremont, cannot be served until sidewalks of some sort are installed, since "we can't have our carriers exposed to walking on the highway."

But Lewis added homeowners are banding together in the Lincoln Tract to get these sidewalks. Additional help will include two

Postmaster Manuel W. Lewis was accorded a vote of thanks Monday by the Centerville Chamber of Commerce for his work in obtaining city mail delivery for the town. The action came on motion of Eugene Manning.

foot-carriers and one motorized parcel-post carrier at first, Lewis went on.

"In addition, 12 collection boxes for the deposit of mail will be located at strategic points within the city delivery limits," he advised. These will be at:

The postoffice, at South Main and Norris, Glenmoor and Central, Thornton and Dondero, Thornton and North Main, Fremont and Sequoia, Glendale and Norris, Baine and Dutra, Oak and Hansen, Thornton and Pine, Arlene Court and Walnut, and Thornton and Cabrillo.

Within a few days, Lewis said, a carrier will take questionnaires to Centerville residents. These will (1) inform the occupant that street numbers and mail boxes or door slots must be installed before delivery, and (2) ask whether the occupant wants home or store delivery, or wants to retain a post-office box.

Date of the changeover depends on arrival of the street boxes and carrier equipment, Lewis said. He also estimated it will take two years for people who now address mail to a post-office box to learn the addressee's new street address.

During that time, Lewis said, a fulltime clerk will be used to re-address mail.

Lewis' postoffice did \$26,000 worth of business last year, expects \$30,000 this year.

WUHS MENTORS WIN NEW PAY RAISE

Teachers and administrators at Washington Union High School this week were voted raises ranging from \$100 to \$600 a year.

The school trustees, meeting Monday night, granted a new salary schedule prepared by a teachers' committee, without amendment.

The boost, effective July 1, will increase beginners' salaries from a minimum of \$3500 to \$3600 a year. Comparable raises were given up the line, with third-year mentors hiked to a minimum of \$3840 and 13th year instructors making \$5490 compared to \$5120 last year.

Superintendent J. V. Gould won a \$600 raise to \$9100 a year. Vice-Principal Irving Hird will make

SCHOOL ELECTION TOMORROW; RACES IN FOUR DISTRICTS

Washington Township goes to the polls Friday to vote for school trustees, and contests loom in four districts.

Three candidates have filed for two places on the Washington Union High School board. They are Sam G. Scott of Newark and Manuel J. Bernardo of Centerville, incumbents; and Frank Borghi Jr. of Decoto.

Contesting for the Niles Elementary School Board are Mrs. Sally Lee, 277 Jones Way, and William Tyson, Fremont Avenue. Both seek the job vacated by George Burr.

In Newark, Incumbent Dr. James A. Robertson, chemist, is opposed by Raymond L. Bernardo, salt company employee. Bernardo is a son of the high school trustee.

In Decoto, H. A. Searles, 725 Eighth Street, incumbent, has opposition from a Hillview Crest resident, Edmund K. Cummings.

Incumbents M. J. Overacker Jr., in Mission San Jose, and Mary G. Rodriguez, in Centerville, are unopposed for re-election.

In Irvington, Jerome B. Whitfield is unopposed in his try for the seat vacated by a veteran trustee, Dr. E. M. Grimmer. H. Graydon Spurlock of Alvarado is virtually assured of election. Spurlock filed for a trusteeship vacated by M. P. Goularte.

Richard Johnsen Jr. of Warm Springs, who has moved to Los Angeles, will be replaced by Melvin Leal, sole candidate in Warm Springs.

In the Alviso District, decision of J. V. Orsetti not to run again left the field wide open when no one filed prior to the deadline last month.

However, J. E. Green, sugar mill employee, of 260 Decoto Road, has announced himself a write-in candidate. Green has a boy, 10, in the Alviso School.

JANET GRAY—NEW "VOICE WITH A SMILE"

Like many other young graduates, she'll soon be stepping into her telephone future

Janet Gray might be any of hundreds of young women—from high schools, colleges and commercial schools—who will start telephone careers in the coming weeks. For Janet and her new colleagues, it's a big event. They'll have many interesting types of jobs to choose from, they'll be paid full salaries while they learn their jobs. And they can count on frequent raises. For Janet, the opportunities to advance are excellent. Because women are important in our business...many hold management jobs.

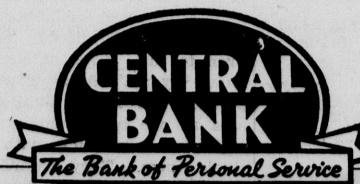

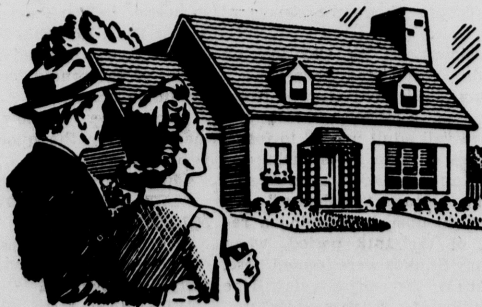

Many young men, too, will be starting telephone careers in the next few months. Their skill and experience will grow through training and actual work on different telephone jobs. And, when qualified, they'll be eligible for promotion to more responsible positions. For it's tradition in our business to choose tomorrow's telephone executives from among the young men starting their telephone careers now.

MISSION SAN JOSE SEEKS TOWN ZONE

Historic Mission San Jose Monday night became the first in Washington Township officially to request precise zoning from the Alameda County Planning Commission.

On motion of Maurice B. Marks, president of the Township Chamber of Commerce, the local chamber:

1. Agreed to ask protective zoning from the commission.
 2. Directed President Herman Medeiros to name a committee to prepare zoning proposals for display and discussion locally.
 3. Voted to ask the commission to prevent any future subdivision from putting more than four homes on an acre.
- Marks warned "zoning is coming, and you're going to have it whether you want it or not. It's better to plan what we want ourselves."

The chamber also (1) decided to meet with Irvington to explore a new name for the Mission-Irvington Road, and (2) tabled for study, a suggestion by Miss Olive Hyde that future sidewalks be made of redrock to "preserve the small town atmosphere."

BEARCATS COP FIRST WIN OVER 'JOSE NINE; DUTRA, GARCIA IN STAR ROLES

By TONY ROGERS

Paced by Third Baseman Joe Dutra and Pitcher John Garcia, the Centerville Bearcats broke into the win column last Sunday with a 5-4 "revenge" victory over the San Jose Zebras.

Garcia allowed but four hits and struck out nine visitors. Frank Horio of the Zebras yielded 10 hits in fanning six. Garcia walked eight and Horio four.

But it was Dutra's homer in the seventh, plus his two timely singles which drove in three runs and provided the winning margin.

The Zebras, who blanked Dutra's nine in their last meeting a year ago, scored first on a delayed double-steal in the opening inning.

But in the second inning, Bearcat Len Kelly walked and Don Lemos singled. Then Dutra brought both home with a one-bagger.

The count stayed 2-1 until the sixth, when a single, a walk and a sacrifice put two runners in scor-

ing position for the San Jose club. A single made it 3 to 2, and the speedy Zebras added another in the seventh.

Then Dutra opened the Bearcat half of the frame with a homer over the fence. Rivers reached second on an overthrow, was sacrificed to third by Garcia, and then Romero singled him home.

In the climax ninth, with one away, Romero reached, second on another error, Faria walked, and Stan Roderick struck out. Then Noceti singled off a relief pitcher, bringing Romero home with the winning run.

Huskies Lay Ax to Live Oak, 13-2, To Earn Shot at SCVAL Crown Today

By BOB HIRD

Washington Hi's resurgent batsmen clubbed two Live Oak hurlers with a 16-hit attack last Thursday, Pitchers Bob Lunsford and Bob Hurd combined their defensive talents, and the Huskies battered the Live Oaks 13-2, on the local diamond.

The win proved an important one, as league-leading Mountain View, whom the Huskies play today in the Eagles' nest, were upset by James Lick, 6-5. Also, the Fremont Indians, who had lost only one contest, were upended by Los Gatos, 6-0.

Thus today's contest between the Huskies and Eagles will be a crucial one. A Malemute victory will give them a possible 3-way tie for the championship. Game time is 3:15 p.m.

Getting back to Live Oak, the Huskies wasted no time, picking up two runs in the initial frame. Dick Arlington, Tony Nieves and Ernie Delgado all garnered singles.

The Orange and Black picked up three more in the second on singles by John Chacon, Raul Orozco, Lunsford and Don Santos, and a couple of Acorn miscues.

The fourth inning was the biggest in the Huskies' attack. They picked up five big runs on four safeties. Ed King's two-run triple was the big blow.

The local's final three tallies came in the sixth. Chacon smashed a round tripper, his third of the season. Bob Hird's single to center with runners on second and third produced the final two.

Lunsford twirled the first three frames, allowed one run and two hits and was given credit for the win. Hird pitched the last four frames, also giving up only one run and two safeties. Chacon paced the Huskies at bat, collecting three hits in four trips.

QUERY INSURANCE FIRE RANKS HERE

Are fire underwriters' opinions of local fire departments outdated and erroneous?

Centerville Fire Commissioner Fred Rogers charged last week this is so, when Rogers addressed a meeting of the Township Chamber of Commerce to consider the Coro Report on incorporation.

Monday, Centerville's chamber of commerce authorized another commissioner, Allen G. Norris, to seek the correct answer from the town fire commission. It was pointed out that insurance rates are based on the underwriters' ratings.

The Coro statements about local volunteer fire departments were taken verbatim from the Pacific Fire Underwriters' reports, Eugene Manning, secretary of the Township Chamber, declared Monday.

Rogers said not all hydrants are listed, and pumping capacity of engines is shown too low.

No doubt about it...

Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Load-master engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.
